DEAR VALUED CLIENTS,

CAS Malaysia PLT is proud to announce the launch of CAS ACADEMY (SELANGOR) SDN BHD (known as 'CAS Academy') as part of our continuing efforts to diversify our range of services and value-add for your benefit.

CAS Academy aims to enhance the technical knowledge of directors and staff of organisations with a view towards improving performance, compliance and reporting. Organisations will benefit as a result of:

- *Enhancement of knowledge of employees
- *Obtaining timely technical updates
- *Improved job-related technical skills
- *Developing soft skills

CAS Academy shall offer:

- *Public training
- *In-house training, which can be customised to your requirements
- *Technical bulletins
- *Certification

With emphasis on areas such as financial and management accounting, taxation, internal audit, corporate governance, risk management, internal control, finance, management and many more.
